DIRECTIONS

From Sevierville: On 411(Main Street) heading west. Turn left at Hardin Lane, turn right at Mathews Hollow Road. Turn left onto Stockton Drive into Sterling Springs Resort. Turn left onto Towering Oaks Drive. The cabin is the second to last cabin on your right. From Pigeon Forge: Parkway heading North turn left onto New Era Road, continue to Mathews Hollow and turn left, then left into Sterling Springs Resort at Stockton Drive. Turn left onto Towering Oaks Drive. The cabin is the second to last on your right.

REMARKS

Absolutely breathtaking mountain views! This 3 bedroom, 4 bath cabin includes many upgrades and luxuries not often seen in our area. There are two custom built walk-in tiled showers with custom inlays. One of the other showers is a steam shower. There are 3 fireplaces in the cabin (one in the family room and two of the bedrooms also have fireplaces). The kitchen is very functional with stainless look appliances and concrete counter-tops. The view from this luxury log cabin is nearly all wilderness and mountains. Looking deep into the Smokies with a long range sweeping view one can see mountains on both the Eastern and Western portion of the Smoky Mountain National Park. There are mountain views from nearly every room. Including the family room area, dining room, kitchen sink, upstairs bedroom (and Jacuzzi), loft area (with pool table), and the two lower level bedrooms. The current owner has completed many upgrades to the cabin and made it a notch above the other cabins in the development. Sterling Springs Resort offers a community swimming pool and there is a zip-line within the development. Making it a popular spot for rentals and visitors to the area. The current owner, however, has only used the cabin as a second home/vacation property so it has less wear and tear than your average cabin in the development and has been very well maintained. Although this particular cabin isn't currently on the rental program, cabins with the same floor plan and similar view on the same road have had over \$60,000 in gross rental income during the 2011 year - including one cabin next door. This cabin is NOT a foreclosure or a short sale. The listing price to potential gross rental income ratio is considerably better than most foreclosures or short sales though! Very convenient location with easy access to the Parkway. Also, the location allows travel on many side roads to avoid traffic and get where you need to go!

ADDENDUM

The cabin is used only as a second home/vacation property by the current owners. Please call me on my cell phone for the cabin code and alarm code. Most furniture is to remain with the property. However, there are several items that will not such as the table behind the sofa in the family room, cabinet in the dining area, decorative bedspreads, some paintings (framed prints & photos), most of the pottery in the cabin, personal items in the owners closet, cable router, and other items. When making an offer please take note of this. Some of the items mentioned above may be negotiable but aren't intended to be conveyed with the property. As with all Real Estate transactions you should verify all information independently including HOA info and square footage. In addition to the HOA fee, there is a separate monthly fee to the company in charge of operating the Community Septic system.
