REMARKS

Great building lot on the valley floor in scenic Wears Valley! This 0.85 acre lot features a gently rolling homesite already cleared - or you can build on an even more flat piece of the land with some tree removal. The lot features a 4 BEDROOM SEPTIC PRE-APPROVAL and a view of Little Round Top Mountain from the front of the lot. A good mix of trees, and extremely easy access from Wears Valley Road. Building plans are available per request. Not many four bedroom septic lots available with easy access in Wears Valley - especially at this price!!! Just minutes to the National Park via Lyon Springs Rd. to Metcalf Bottoms!
